## **ARTICLE 1 - GENERAL INFORMATION AND DEFINITIONS**

### **1.00 PURPOSE OF AGREEMENT**

- a) The purpose of this Agreement is to establish and maintain orderly collective bargaining procedures between the Parties.
- b) In order to promote the efficient and effective operation of the institution through the establishment and continuance of harmonious relations and working conditions established under the collective agreement, and to assist in the development and expansion of the public post-secondary system, the Parties therefore agree to the following terms of contract.

### **1.01 PARTIES TO AGREEMENT**

THIS AGREEMENT, entered into on the 9th day of May, 2013.

BY AND BETWEEN

KWANTLEN POLYTECHNIC UNIVERSITY  
(hereinafter referred to as the “Employer”)

AND

KWANTLEN FACULTY ASSOCIATION, LOCAL #5 Federation of Post-Secondary Educators (FPSE) (hereinafter referred to as the “Union”)

### **1.02 TERM OF AGREEMENT**

The duration of this Agreement shall be from April 1, **2012** to March 31, **2014**. In the event negotiations are not completed before its date of expiry, this Agreement shall continue in force until amended or superseded.

The operation of Section 50(2) of the Labour Relations Code of B.C. is specifically excluded.

### **1.03 CONFLICT WITH POLICIES**

Every reasonable effort will be made to harmonize Employer policies with the provisions of this Agreement. In the event of a conflict between the contents of this Agreement and any policies made by the Employer, the terms of this Agreement will prevail.

### **1.04 FUTURE LEGISLATION**

In the event that any future legislation renders null and void or materially alters any provision of this Agreement, the Parties hereto will negotiate a mutually agreeable

provision to be substituted for the provision so rendered null and void or materially altered. All other provisions of the Agreement shall remain in full force and effect.

## 1.05 DEFINITIONS

### (a) Regular Faculty Position

A regular faculty member's position is one that exists or is established to meet the ongoing needs of the Employer on a half-time basis or greater basis.

### (b) Full-time Regular Faculty

A full-time regular faculty member is one who occupies a full-time regular position established by the Employer or by this Agreement. Full-time regular faculty members shall receive all benefits provided by this Agreement.

### (c) Part-time Regular Faculty Members

A part-time regular faculty member is one who occupies a part-time regular position established by the Employer. Part-time regular faculty members have the same rights and obligations as full-time regular faculty members and are entitled to all benefits provided by this Agreement on a pro-rated basis. A part-time regular position will be established by the Employer where:

- (i) there is a structural requirement for ongoing services of one-half time or more;
- (ii) a full-time regular post-probationary faculty member requests a part-time position and the request is supported by the chair/coordinator in the discipline/program and approved by the Employer;
- (iii) two post-probationary faculty members are willing to share a full-time regular position and the request is supported by the chair/coordinator in the discipline/program and approved by the Employer;
- (iv) Should a regular faculty member who has obtained a part-time regular position under paragraphs (ii) or (iii) wish to resume a full-time workload, he/she will be assigned available work in his/her discipline/program providing he/she has the required qualifications, abilities and experience. Where two or more such regular faculty members wish to resume a full-time workload and there is insufficient available work in the discipline/program, work will be assigned to the faculty member with the most FTE service providing he/she has the required qualifications, abilities and experience;
- (v) The Employer's approval will not be unreasonably withheld. The Employer, at its sole discretion, can set the effective date of the requested change in status from full-time to part-time, or vice versa, to coincide with the beginning or the end of a semester or term of instruction.

**(d) Non-Regular Faculty Members**

Non-regular faculty members are those that do not hold a regular position or who have not satisfied the requirements for regularization in Article 1.05(e). There are two (2) types of non-regular faculty.

**(i) Non-Regular Type 1 Faculty Members**

A non-regular Type 1 faculty member is a non-regular faculty member who is hired for a defined period, to teach specific courses or perform specific work. Non-regular Type 1 faculty may only be hired for specialized requirements, experimental offerings, timetabling anomalies, substitution, vacation replacement, short-term emergency circumstances, work that is not expected to be ongoing or work that does not provide them with an assignment that qualifies for non-regular Type 2 status at the August 1 assessment date. All non-regular Type 1 faculty members will receive salary according to the provisions of Article 10.

**(ii) Non-Regular Type 2 Faculty Members**

A non-regular Type 2 faculty member is one who is assigned or reasonably anticipated to be assigned an annualized workload of 50% or greater for a future 12-month period.

**Status Assessment**

There is one assessment date: August 1 for the 12 month period starting September 1. The purpose of this assessment date is to determine whether a Type 1 non-regular faculty member should be offered a Type 2 appointment. It shall not prevent the Employer from establishing non-regular Type 2 positions with different appointment terms or commencement dates in accordance with the Employer's needs.

It is the responsibility of non-regular faculty who are on the "qualified faculty list" in more than one discipline/program to notify the relevant administrator(s) of this fact at the time work is offered to them by the administrator(s). It is the responsibility of the administrator(s) who have been so notified to check if the workload assigned across disciplines/programs would qualify as Type 2.

**Replacement of Regular Faculty**

When the Employer replaces a regular faculty member on leave, Long-Term Disability, alternate duty or fills a position that is not expected to be ongoing and the workload available meets the requirements as outlined above, the Employer will issue a Type 2 non-regular appointment.

### **Rights and Obligations**

A non-regular faculty member who meets the qualifications for Type 2 above has the same rights and obligations as a regular faculty member and is entitled to all benefits provided by this Agreement on a pro-rated basis with the following exceptions (Article 6, and Article 7).

#### **(iii) Additional Work**

Where additional work is assigned to a non-regular Type 2 faculty member after the beginning of his/her appointment year, the Type 2 faculty member's designated workload percentage will remain unchanged for all purposes, including benefits, professional development and vacation, for that appointment year. The Type 2 faculty member will be paid for the additional work on the Article 9 salary scale plus 25% for the period of additional work performed.

Where additional work is assigned to a non-regular Type 1 faculty member after the beginning of the 12 month period starting September 1<sup>st</sup>, such that the Type 1 faculty member's annualized workload for that year becomes 50% or greater, the faculty member will retain Type 1 status, but will be paid for all work during that year at the contract rates set out in Article 10 for the applicable mode, plus 32%. The Type 1 faculty member's pay will be adjusted accordingly, retroactive to the beginning of that year.

Pension contributions for additional work will be made as required by the applicable regulations pertaining to the College Pension Plan.

#### **(e) Entitlement to Conversion to Regular Status**

The conversion of status from non-regular to regular will occur when the faculty member has a workload of 50% or greater for each of two (2) consecutive appointment years of work, provided that:

- (i) there is a reasonable expectation of ongoing employment at a workload level of at least 50% in each of two semesters within the appointment year subsequent to that in which the entitlement to conversion arises or there is a reasonable expectation of an ongoing workload assignment of at least 50% on an annualized basis within the appointment year subsequent to that in which the entitlement to conversion arises, and
- (ii) the employee is qualified for the work in question, as determined by the Search Committee at the time of initial hire or subsequent review, and
- (iii) the employee's most recent evaluation for regular employment within the preceding twelve (12) month period has been satisfactory. The employee will be deemed to have received a satisfactory evaluation if one has not been undertaken by the employer. The employer may evaluate a non-regular employee at least once each 12 month period and the employee

may request an additional evaluation not more often than once in each 12 month period.

Nothing in the section above prohibits the employer's rights to regularize any position as it deems necessary.

**(f) Employment**

A regular faculty member, after successful completion of the probationary period, will be offered continuous employment subject only to those terms and conditions as may be contained in the Collective Agreement.

**(g) Probationary Contract**

A two-year appointment which may be terminated without cause upon expiration of the probationer's term of employment, but which may be terminated in accordance with Article 4.08, prior to the expiration of his/her term of employment. Termination during the two-year contract shall be in accordance with Article 4.08. Termination at the end of the probationary term shall be in accordance with Article 4.06.

**(h)** Throughout this Agreement, the term "instructor" shall denote a faculty member and the terms "teach" and "instruct" shall denote performance of faculty members' duties.

**(i) Full-Time Equivalent Service**

Full-time equivalent service shall be defined as the length of service with the Employer from the date of the first appointment with the Employer. In the event the faculty member resigns, or is terminated, the FTE service accumulated is lost. Substitution and overload contracts shall not be credited if the faculty member has already been credited with a full year's FTE service during a one-year period.

In the event a non-regular faculty member is not employed by the University in an eighteen month period beginning with the termination date from the Employer's payroll, or declines or is unavailable to receive an offer of further appointment, the FTE service accumulated is lost.

A non-regular faculty member will not be considered to have declined or been unavailable to receive an offer of a further appointment where the faculty member establishes in writing that the reason for declining is that the faculty member had been offered and accepted an assignment at another BC public post-secondary institution that conflicts with the assignment offered by the University.

In this clause "service" denotes all accountable time covered by Article 12.01(a) and all vacation time covered by Article 12.12, and FTE service counted under Article 1.05(i)(vii) shall not count towards the minimum service requirements specified in Article 14.05 and Article 14.06.

Wherever this Agreement refers to service with the Employer, such service shall be understood to include service both prior to and subsequent to the split of

Douglas College into Douglas and Kwantlen Colleges on April 1, 1981, providing the faculty member was employed by Douglas College prior to April 1, 1981.

FTE service includes and is limited to the following:

- (i) service accumulated as a full-time regular faculty member;
- (ii) service accumulated on a pro rata basis as a part-time regular faculty member, i.e., 1/2 teaching assignment or 12 credits in a year = 6 months' service;
- (iii) service accumulated as a non-regular type 2 faculty member;
- (iv) service accumulated on a pro rata basis as a non-regular type 1 instructor i.e., 1/4 teaching assignment or 6 credits in a year = 3 months' service;
- (v) approved leave of absence as per Article 3.11;
- (vi) approved leave of absence as per Article 13;
- (vii) educational leave taken under Article 14;
- (viii) leave due to illness up to a maximum of two (2) years, including STIP and LTD periods and periods on WCB coverage;
- (ix) service as a Dean or Director at Douglas College prior to November 1, 1977, if the faculty member held faculty status as of April 1, 1983;
- (x) In the event an administrator who held a management position with the Employer as of April 1, 1983 returns to the bargaining unit as a regular faculty member he/she will be credited for all previous service accumulated as a faculty member at both Douglas and Kwantlen Polytechnic Universities. In addition, he/she will be credited for previous service as a Dean or Director at Douglas College prior to May 1, 1975.
- (xi) Up to two years' service as an administrative secondment subsequent to December 31, 1986 where the faculty member was a member of the faculty for a minimum of two consecutive years immediately prior to secondment.

**(j) Common-law Partner**

“Common law partner” is a person of the same or different sex where the employee has signed a declaration or affidavit that they have been living in a common-law relationship or have been cohabiting for at least twelve (12) months. The period of co-habitation may be less than twelve (12) months where the employee has claimed the common-law partner’s child/children for taxation purposes.

(k) Wherever the singular is used in the Agreement, the same shall be construed as meaning the plural if the context requires unless otherwise specifically stated.

(l) **Post-Secondary Employers' Association**

The Post-Secondary Employers' Association or "PSEA" means the Employers' Association established for post-secondary colleges and institutes under the Public Sector Employers' Act.

(m) **Union**

Union means Kwantlen Faculty Association which is a certified bargaining agent.

(n) **Employee or Faculty Member**

Employee or faculty member means a person employed within the bargaining unit represented by the Union.

(o) **Collective Agreement**

Collective Agreement means this collective agreement between the Employer and the Union.

**1.06 NO OTHER AGREEMENTS**

Except with the mutual consent of the Union and the Employer, no faculty member covered by the Union's certification shall be required or permitted to make a written or oral agreement with the Employer or its representatives which may conflict with the terms of this Agreement.

**ARTICLE 2 – MANAGEMENT RIGHTS**

**2.01 MANAGEMENT RIGHTS**

While the Employer customarily delegates to appropriate faculty member groups responsibility for determining which courses and sections shall be timetabled in any semester; for assigning instructional duties to instructors; for determining instructor's home campus; for requiring instructors to develop new courses or to revise existing ones; for ongoing program development and revisions; this delegation shall not be construed to abrogate the Employer's rights with respect to these functions but neither shall it be unreasonably withheld. Generally, and without being limited by the foregoing, the Employer has the right to manage, operate and direct the working force of the Employer.

The Employer agrees that these rights will be exercised in a manner consistent with the provisions of other articles in this Agreement.

## **2.02 CONTRACTING OUT**

The Employer will not contract out:

- a) any work presently performed by the employees covered by the collective agreement which would result in the layoff of such employees, including a reduction in assigned workload, or
- b) the instructional activities that are contained in the programs listed and/or funded in the approved annual institutional program profile and that are currently performed by bargaining unit employees.

## **2.03 ASSIGNMENT OF OTHER DUTIES**

- (a) The Employer may allocate program/curriculum development projects or special projects to faculty members and on such occasions shall provide adequate time to accomplish the agreed-upon task.
- (b) The Union shall be provided with details of such time releases including the faculty member(s) involved, the amount of time provided, and the duties undertaken, within 15 working days of the faculty member being notified of the project assignment. This applies to those normally teaching but released from teaching.
- (c) In the case of program development projects of duration of one semester or more, notice shall be given to all faculty members of the proposed projects and applications invited. However, if the parties mutually agree the project is specific to a discipline/program, the Employer may give notice (a minimum of 5 working days) only to faculty members in the discipline/program. Selection and appointment shall be in accordance with the principles of Article 4.02.
- (d) In the case of program development projects of duration of less than one semester, the advice of the appropriate discipline or program group will be sought prior to the appointment of personnel to the project.

## **ARTICLE 3 – UNION RECOGNITION, RIGHTS AND SECURITY**

### **3.01 UNION AS EXCLUSIVE BARGAINING AGENT**

The Employer recognizes the Union as the exclusive bargaining agent for all Instructors, Counsellors and Librarians employed by the University, including Continuing Education faculty.

### 3.02 MAINTENANCE OF MEMBERSHIP

Faculty members covered by the certification, who, at the date of ratification were members of the Union, shall maintain their membership in good standing as a condition of continuing employment.

### 3.03 MEMBERSHIP OF NEW FACULTY

From the ratification date of this Agreement new faculty members covered by the certification shall become members of the Union upon commencing their employment and shall maintain membership in good standing in the Union as a condition of continuing employment.

### 3.04 DUES DEDUCTION

Deduction of Union dues as a condition of employment will be applied to all members of the bargaining unit.

All deductions of dues shall be remitted by the Employer to the agent appointed by the Union not later than fifteen (15) days after the date of deduction.

### 3.05 AMOUNT OF DUES AND FEES

The Union shall advise the Employer in writing of the amount of its regular monthly dues. The amount so specified shall continue to be the amount of the Union's regular monthly dues and shall continue to be the amount to be deducted until changed by further written notice to the Employer from the President of the Union. Upon the Employer's receipt of such notice, the changed amount shall be the amount deducted for the following month.

### 3.06 MEMBERSHIP AND DUES AUTHORIZATION

**Included in the appointment letter, or contract as appropriate, the Employer shall inform the new faculty member about their requisite membership in the KFA and the deduction of dues as a condition of employment. The Employer will provide the KFA with a bi-weekly report listing the names of new faculty members and the date that union dues deductions began for the new member.**

### 3.07 ASSESSMENTS

The Employer shall deduct duly-authorized assessments from faculty members who are members of the Union in accordance with Union by-laws within forty-five (45) days of a request to do so by the Union. The Employer agrees to forward the assessment to the Union within fifteen (15) days of the deduction. The Union agrees to limit its request for an assessment to one (1) request per calendar year.

### 3.08 COPIES OF AGREEMENT

The Union and the Employer agree that all faculty members shall be familiar with this Agreement, and their rights and obligations under it. For this reason the Employer shall post this agreement on its website, provide a paper copy to any faculty member who requests one, and provide 100 paper copies to the Union.

Newly appointed faculty members shall be informed how they may access this Agreement when they are sent their initial contract or letter of appointment.

### 3.09 FACULTY UNION BUSINESS

- (c) The Union will have the right to use Employer's facilities for meeting purposes free of charge.
- (d) The Employer will provide the Union with office space on the Surrey campus for the administration of the Union's business.
- (e) One Union designate will be furnished with a copy of the Agenda and other public information assembled for University Board meetings.   - (i) The Union will be furnished with a listing of faculty members by October 15<sup>th</sup> and February 15<sup>th</sup> each year which shall include names, addresses, telephone numbers, type of appointment, term of appointment, discipline/program and salary placement;
  - (ii) The Union shall be notified of all faculty hirings within fifteen (15) working days of the faculty member commencing work;
  - (iii) The Employer agrees to provide to the Union available information of the cost of salaries and benefits used for costing in collective bargaining.

The Union agrees to provide the Employer with a list of the faculty members designated as Representatives. It is agreed that Employer work performed by faculty members will not be affected by any Union business.

### 3.10 PICKET LINES

- (a) Faculty members covered by this Agreement shall have the right to refuse to cross a legal picket line arising out of a strike as defined in the Labour Relations Code of B.C. or in the Canada Labour Code.
- (b) Failure to cross a picket line encountered in carrying out the Employer's business shall not be a violation of this Agreement nor shall it be grounds for disciplinary action.
- (c) Faculty members will not receive pay for work not performed as a result of observance of picket lines.

### 3.11 FACULTY UNION LEAVE

- (a) To facilitate the operation of the Collective Agreement and Employer/Faculty relationships, the Union will be provided the total equivalent of one quarter-time leave of absence per annum without loss of pay or other entitlement for one of its members. The Union may designate a person who will be entitled to union leave under this Article and will advise the employer of the amount of the leave to be taken.
- (b) The Union may purchase additional release time above that currently paid for by the employer at replacement costs. Replacement cost is that for the individual who is carrying out the duties of the individual released. Such leaves will not be unreasonably withheld.
- (c) Where such leave is granted, the employer will replace the employee as necessary.
- (d) Costs arising from this provision will not be charged against the program area of the participating union representative.
- (e) This clause may be utilized by the Union to ensure adequate representation by the Union with respect to issues that affect the institution or the post-secondary system. To facilitate the administration of this provision, the Union will ensure that the employer is advised of the eligible leaves to be taken.
- (f) The request for all such leaves shall be made by the Union in writing to the appropriate administrator responsible and the Vice President, Human Resource Services by May 15 for Fall leaves and November 1 for Spring leaves.

- (h) Meetings between representatives of the Union and the Employer shall be held at times mutually agreeable to the parties. Every effort shall be made to hold such meetings at times that do not conflict with the teaching or duty schedules of the faculty members involved.

- (i) A faculty member selected for a full-time position in the Federation of Post-Secondary Educators or in any successor organization to FPSE shall be granted full-time leave of absence subject to the following conditions:
  - (i) As soon as possible in advance of the leave, the Union shall notify the Employer of the possibility of this clause being invoked. Notwithstanding the foregoing, the Union shall provide the Employer with written notice by June 1 for Fall leaves and November 1 for Spring leaves;
  - (ii) A faculty member on leave under this clause shall continue to receive full salary and the benefits from the Employer. The Union shall, on a monthly basis, reimburse the Employer for the full amount of the faculty member's salary and benefits from the Union member dues. In the event the membership dues are not enough to cover the faculty member's monthly salary and benefits, the Union will remit the outstanding balance.
- (j) Any leaves granted under this section shall count as eligible time towards full-time equivalent (FTE) service whenever such service is referred to in the Agreement.

#### **ARTICLE 4 – SEARCH PROCEDURES**

Any disputes arising from the outcome of a search process will be immediately referred by the complainant (or the Union on his/her behalf) to the Labour Management Relations Committee, who will examine and make findings regarding the fairness of the process. The LMRC shall render its findings within 10 working days from the date the matter was referred to it. This deadline may be extended up to 5 working days by the LMRC. The grievance timelines will commence at the date the LMRC issues its findings.

#### **4.01 WRITTEN CONTRACTS**

- (a) All faculty members employed by the University shall be offered appropriate written contracts. In the event Article 1.05(d) applies, contracts shall specify the rate of pay and the period of appointment, including any vacation, professional/curriculum development, and accountable time required by the terms of this Agreement.
- (b) Faculty members shall be given a copy of any employment notice affecting their own employment

## 4.02 SEARCH FOR REGULAR AND NON-REGULAR TYPE 2 FACULTY MEMBERS

### **Preamble:**

Whenever a vacancy arises, as determined by the Employer, it shall be filled by the following process:

### **Formation of a Search Committee**

- (a) The Search Committee shall consist of up to 4 members: one designated by the University President or his/her designate and 2 or 3 elected annually by the discipline/program. The parties will consider variations to the standard committee format when unusual situations arise, there is a need for specific expertise, or there is a request by the discipline/program. In the event faculty members have not been elected or the faculty member(s) elected declines to participate in the search process for any reason, the Union shall appoint a replacement to the Search Committee. Where possible, the replacement shall be appointed from the affected discipline/program.

The Administrative designate will be responsible for providing institutional support; the faculty members will provide expertise on subject/instructional matters.

- (b) Where the appointment is in a new discipline or program field the Search Committee shall be appointed by the University President or his/her designate after consultation with the Union.
- (c) All regular and non-regular type 2 faculty members who are part of the discipline(s) or closest related discipline(s) shall be eligible for membership on the Search Committee, unless a conflict of interest is deemed to occur.
- (d) If a candidate has any concerns relating to bias or conflict of interest on the part of a Search Committee member, those concerns should be brought to the Employer's attention by the Union before the commencement of the interview process. Otherwise, the Employer will assume that the composition of the Search Committee is acceptable to the candidates and to the Union.

### **Search Process**

- (e) The Search Committee shall review all written applications and supporting material, including the applicant's personnel file and shall compile the interview list. Representative(s) designated by the Search Committee shall conduct all interviews.
- (f) The Search Committee shall prepare a short list of qualified candidates with rationale and specific recommendations for the University President or his/her designate. In the event that a member of the Committee does not concur with the list(s) submitted by the other members of the Committee, that member may submit a separate short list of qualified candidates with rationale and specific recommendations for the University President or his/her designate.

- (g) In the event that more than one list is submitted to the University President or his/her designate or he/she does not wish to follow the Committee's recommendation when making the appointment he/she will meet with the Committee to provide his/her rationale, and attempt to resolve the matter before taking action. The University President or his/her designate may decide on any one of the following:
  - (i) make an appointment from any list submitted by member(s) of the search committee;
  - (ii) not make an appointment and direct that the search process recommence or cancel the vacancy. However, a vacancy shall not be cancelled solely as a result of the search process.
- (h) In the event that the short list is exhausted, and the Employer still intends to fill the position, the search process shall recommence.
- (i) In the event a regular position is advertised and the position has been filled by a non-regular type 2 faculty member for two or more years, the non-regular type 2 faculty member who has been filling the position will be given preference over other applicants providing the qualifications, abilities, and experience of the non-regular type 2 faculty member are equal to the other applicant(s).

#### **Posting of the Vacancy**

- (j) When a new position is proposed, the job description and the job advertisement will be drawn up in consultation with the appropriate discipline/program Search Committee.
- (k) Copies of advertisements for positions will be posted on each campus for a minimum of two (2) weeks and, where appropriate, will be publicized in in-house publications.
- (l) All applications for posted positions shall be in writing and shall be reviewed by the Search Committee or its designate(s).
- (m) If a non-regular type 2 position that has been filled by a non-regular type 2 faculty member continues to exist and is filled by the Employer, the Employer may elect to either:
  - (i) offer the incumbent another non-regular type 2 appointment, provided that he or she has filled the position satisfactorily; or
  - (ii) post the non-regular type 2 position.

#### **4.03 FACULTY OVERLOAD**

When the Employer does not have the capacity to offer a course section by assigning a regular or non-regular type 2 faculty member that section as part of his/her workload, a qualified non-regular type 1 instructor may be hired.

No earlier than one month prior to the commencement of each semester, the Employer may, with the faculty member's agreement, engage a full-time regular or non-regular type 2 faculty member to take the course on an overload basis (e.g. reduced workload in the subsequent semester, or if not possible, paid for the extra course on an equivalent contract basis). However, a full-time regular or non-regular type 2 faculty member may not be engaged to work more than 125% of a full-time workload in an academic year, unless a qualified non-regular type 1 faculty member cannot be found to teach the additional course(s).

a.) Overload Pay

Regular and non-regular type 2 faculty members who teach overloads as defined above will receive additional pay at their normal rate plus 25% in lieu of benefits for the overload, for the time period in question.

Example A: A faculty member teaching eight additional lecture hours per week for a complete summer semester would be paid 150% of their normal rate for the complete semester plus 25% in lieu of benefits for the additional 50%.

Example B: A faculty member in mode 24 teaching an additional 3 hours per week for 6 weeks would be paid 112.5% (3 hours divided by 24 hours per week equals 12.5%) plus 25% for benefits for the specified 6 week period.

b.) Compensatory Time-Off

i) Regular and non-regular type 2 faculty members may choose, prior to starting an overload, whether to accept financial compensation or compensatory time off as payment for the overload.

ii) Compensatory time off must be taken no later than 5 years **from** when the overload was completed. The scheduling of the time off would be by mutual agreement between the Dean and the faculty member. If the faculty member and the Dean are unable to reach agreement on the scheduling, the Dean will schedule the time off. The deadline for time off would be indicated on the faculty overload contract by the Dean.

iii) Prior to taking compensatory time off, the faculty member may choose to take payment instead. In such cases, payment will be made as in (a) above based on the member's annual salary at the time the overload was earned.

NOTE: At the current time, overloads are not pensionable. If they become pensionable, this article will be reviewed.

**4.04 SEARCH FOR NON-REGULAR TYPE 1 FACULTY MEMBERS**

Whenever a need arises for non-regular type 1 faculty members, it shall be filled by the following process:

- (a) The Search Committee established in Article 4.02(a) shall compile an interview list of applicants for non-regular type 1 employment.
- (b) Representative(s) designated by the Search Committee shall conduct all interviews.
- (c)
  - (i) The Search Committee shall prepare a qualified faculty list of suitable candidates including the Committee's rationale and recommendations regarding specific courses. This qualified faculty list shall be of sufficient length to provide for immediate and foreseen needs in the subsequent year, and shall be maintained by the administrator responsible who will, when requested, communicate same to any interested party.
  - (ii) When a qualified faculty list of suitable candidates is established, the primary consideration will be the applicant's qualifications, abilities and experience in relation to existing vacancies or anticipated vacancies. In the event the qualifications, abilities and experience of two or more applicants are equal, preference will be given to applicants who have two or more years FTE service as per Article 1.05(i).
  - (iii) Non-regular type 1 faculty members with 2 years FTE service who have received only evaluations that are satisfactory or better, who have received no written disciplinary action and who are deemed suitable by the Search Committee, shall be retained on the qualified faculty list.
  - (iv) The Employer is not obligated to offer contracts to non-regular type 1 faculty members on a qualified faculty list; however, when the Employer does offer contracts the process in Article 4.04(d), subject to Article 4.04(f), will be followed.
- (d) From the qualified faculty list established above, the administrator shall designate non-regular type 1 assignments. In designating contracts, the administrator will give preference to candidates who have two or more years FTE service as per Article 1.05(i), in the event the candidate's qualifications, abilities and experience are equal in relation to the specific non-regular type 1 assignment. Notwithstanding the above, a regular faculty member who is eligible for recall under Article 7.08 and who is qualified to be placed on a qualified faculty list as determined by the search committee shall be offered the non-regular type 1 appointment that he/she is qualified for. The regular faculty member's right to recall to a regular full-time position under Article 7.08 shall not be lost if he/she accepts or refuses such an offer.
- (e) The administrator responsible shall offer a contract to the designated non-regular type 1 instructor. In the event that the designated instructor declines the contract,

the administrator responsible shall offer the contract to a suitable candidate from the qualified faculty list established by the Search Committee.

- (f) In the event that the qualified faculty list is exhausted and time does not permit the process specified in Article 4.04(a) through 4.04(e) to be followed, the administrator responsible shall make the appointment.
- (g) All non-regular type 1 offers will be made in writing. For scheduled classes, the Employer will issue contracts at least thirty days prior to their commencement. Contracts for unscheduled classes and for replacement instructors will be issued as required.

#### 4.05 CHAIRS AND PROGRAM COORDINATORS

- (a) The Employer agrees to establish, maintain and continue the positions of chair and coordinator agreed to at LMRC unless there are demonstrable reasons for discontinuing the position(s).
- (b) Whenever a vacancy arises for a chair it shall be filled by the following process:
  - (i) all faculty members of the discipline(s) or program(s) or closest related discipline(s) or program(s) shall be eligible to vote for chair;
  - (ii) all regular faculty members of the discipline(s) or program(s) or closest related discipline(s) or program(s) shall be eligible to be elected as chairs;
  - (iii) the chair shall be elected for a three-year term;
  - (iv) the administrator responsible shall offer an appointment to the faculty member(s) so chosen;
- (c)
  - (i) vacancies for program coordinators will be filled in accordance with procedures described in Article 4.02;
  - (ii) a coordinator's term of appointment is for a maximum period of three (3) years.
- (d) Duties and responsibilities of chairs and coordinators will include those agreed to at LMRC. Additional duties and responsibilities applying to a specific discipline/program will be mutually agreed upon by the Chair/Coordinator and their Dean after consultation with the discipline/program.
- (e)
  - (i) the incumbent(s) can be removed at any time from the position of chair or coordinator:
    - by majority vote of the faculty members present and voting at a duly called meeting of the discipline(s) or program(s);
    - or by the Employer for just and reasonable cause.
  - (ii) upon completion of a term(s) as a chair or a coordinator or removal from a chair or coordinator position, the faculty member will resume his/her

former regular position or an equivalent position without loss of seniority and benefits.

- (f) A chair or coordinator may serve for a maximum of two consecutive three year terms.
- (g) If a current faculty member was hired to be a coordinator and failure to be re-appointed would result in a layoff, or where there is only one faculty member in a discipline/program, or if agreed to by a majority vote of the faculty members in the discipline/program and approved by the Dean, the limit for coordinator contained in Article 4.05(f) will not apply.
- (h) When a vacancy is unable to be filled by the above process, it is understood that the administration will assume the duties normally performed by the chair or program coordinator.
- (i) Time assignments for chairs and coordinators are identified and maintained by LMRC.

#### **4.06 PROBATIONARY PERIOD**

- (a) Faculty members are employed for a probationary period of two years' FTE service prior to the offering of a continuing appointment. Full-time non-regular type 2 faculty members service for the twenty-four (24) months immediately prior to the regular appointment will be recognized to fully satisfy the probationary period. Faculty who have worked full-time for two (2) semesters or eight (8) months in the twelve (12) months immediately prior to the appointment or faculty who have worked at least 50% of a full-time workload in the twenty-four (24) months immediately prior to the appointment will have that service recognized to satisfy the probationary period by a maximum of one (1) year.
- (b) Evaluation during the probationary term: At least once per year (no more than twice with a minimum of 60 days between) during the probationary term the administrator responsible, after consulting with the current Search Committee, will give a report to the faculty member in writing. Should there be inadequacies in performance, needs or concerns, these will be enumerated and positive suggestions made for each. If after a second evaluation the required levels of improvement have not been reached, or it appears that a recommendation for a continuing appointment may not be made, then the administrator responsible, in consultation with the current Search Committee, will, two months prior to the expiry of the probationary term, notify the University President or his/her designate who may determine that:
  - (i) a contract for a further probationary term be offered;
  - (ii) a continuing appointment be offered, or
  - (iii) no other contract be offered.

In accordance with Article 4.06(a) the first two years of non-regular service are deemed to be probationary in nature and thus, by definition, the evaluation requirement and procedure described herein apply.

- (c) Two months prior to the expiry of his/her probationary period a regular faculty member on probation shall be advised in writing whether the probationary period has been successfully completed. If the probationary period has not been successfully completed, the faculty member shall be advised in writing of the reasons.
- (d) Where a probationary faculty member is on a leave (other than under Article 13.07) greater than 30 days or on STIP/LTD, the probationary period may be extended by the length of the leave. The faculty member and the Union will be notified of this extension by the Dean.

#### **4.07 PROBATIONARY PERIOD – NON-REGULAR TYPE 1 FACULTY MEMBERS**

- (a) An evaluation of work performance may be conducted for each contract of a non-regular type 1 faculty member to a maximum of two years FTE service. This probationary period is to provide an opportunity for the Employer to determine whether the faculty member will be satisfactory or unsatisfactory as per Article 4.08.
- (b) Evaluation of non-regular type 1 faculty members is carried out by the administrator responsible. Normally, the evaluation shall examine and rate the non-regular type 1 faculty member's teaching performance. The administrator responsible shall determine whether the non-regular type 1 faculty member's teaching performance is satisfactory or unsatisfactory. It is agreed that the standard for satisfactory performance shall be determined by the Employer and shall be consistently applied.
- (c) The methods used to collect information may include the following but not be limited to:
  - (i) written faculty members peer evaluation;
  - (ii) written administrator evaluation;
  - (iii) written student evaluation;
  - (iv) written self-evaluation by the non-regular type 1 faculty member.

Upon request, the faculty member shall receive a copy of all written evaluations. The final evaluation report will be discussed with the faculty member. The faculty member will sign a copy of the report indicating that the report has been seen and the faculty member will be given a copy of this signed report.

- (d) The faculty member can register agreement or disagreement with the report at this time or within seven (7) days he/she may submit a written response indicating agreement or disagreement with the report. This response shall be placed on the faculty member's personnel file.

#### **4.08 PROBATIONARY TERMINATIONS**

- (a) The probationary period is to provide an opportunity for the Employer to determine whether the faculty member will be satisfactory or unsatisfactory as a regular or non-regular faculty member. The factors involved in determining satisfactory performance shall be those factors that could reasonably be expected to affect work performance. It is agreed that the standard for satisfactory performance shall be determined by the Employer and shall be consistently applied. When the Employer, in accordance with the provisions of this article and Article 4.06 or 4.07 determines that a probationary faculty member will not be satisfactory as a regular or non-regular faculty member, Article 17.05 does not apply to the termination.
- (b) If a faculty member is terminated during his/her probationary contract, such termination may be grieved beginning at Step 2 (Article 17.02(f)) of the grievance procedure.

#### **4.09 TRIAL PERIOD**

- (a) Post-probationary faculty members may apply to the Employer to change disciplines/programs where a posted vacancy exists. Such faculty members will be given preference over other applicants providing the qualifications, abilities and experience of the faculty member meet the requirements of the position as determined by the appropriate Search Committee.
- (b) Post-probationary faculty members who change disciplines/programs will be subject to a one (1) year trial period. Should a change in discipline/program prove to be unsatisfactory to either the Employer or the faculty member, the faculty member will be returned to his or her former position, except in cases of reassignment under Article 7.04. Satisfactory performance will be based on established performance criteria.
- (c) The vacated position will not be deemed to be a regular position during the trial period. Vacated positions shall be filled as per Article 1.05(d) for a one (1) year period. Should the position continue after one (1) year, then Article 1.05(e) will apply.

#### **4.10 SEARCH FOR ACADEMIC ADMINISTRATORS**

- (a) Whenever a vacancy arises for the following positions: University President, Vice Presidents, Educational Deans or other similar excluded instructional administrative positions that may be created, the Union shall have the right to appoint two regular faculty members to any Committee established by the Employer to fill the position. In the case of the University President, Learning and Provost Vice President, or Learner Support Vice President, the Union shall have the right to appoint up to 5 regular faculty members to ensure a balanced representation of faculty across the University.

- (b) The above clause does not apply to the following:
  - (i) administrative positions that do not have faculty members reporting to them;
  - (ii) acting or temporary administrative appointments created for a period of six (6) months or less;
  - (iii) lateral re-assignment of administrative personnel.
- (c) In the event that an administrative position is filled by a faculty member of the University, the position vacated by the faculty member will be filled with a one-year non-regular type 2 appointment. If the administrative position is confirmed, then the vacated position shall be treated as a normal University vacancy.

#### **4.11 ADMINISTRATORS MOVING INTO FACULTY POSITIONS**

- (a) Administrators shall have the right to teach at any time if needs exist and the University President agrees. The Employer agrees to refer the matter to the appropriate Search Committee, which will review the qualifications, abilities, and experience of the administrator and make a recommendation to the University President. This review would not apply to administrators who have previously been qualified by a search committee. The Union shall receive a report on an annual basis identifying work that has been done under this article.
- (b) Subject to the above clause, an administrator may transfer to a full-time faculty position in his/her field of expertise at any time if a vacancy exists. This transfer shall take priority over the applications of persons other than regular full-time instructors, but shall not operate to prevent a regular faculty member from being re-assigned under Article 7.05.
- (c) Article 4.11(a) shall not operate to displace a regular faculty member from his/her regular employment. Subject to Article 7.02, in the event that a lay-off is declared within a discipline or program, faculty members who have received their faculty positions through the operation of Article 4.11(b) within the year preceding the date of notification of lay-off, shall be laid off prior to other regular faculty members in the discipline or program. In addition to any faculty members FTE service in the past, notwithstanding the service loss provisions of 1.05(i), FTE service will accumulate from the date the former administrator's faculty duties are assumed.
- (d) Administrators assuming faculty responsibilities will be governed by Article 4.06 for all faculty activities in the event their faculty activities have not been previously evaluated.

#### **4.12 ACCESS TO ADDITIONAL WORK FOR PART-TIME FACULTY**

- (a) When additional non-regular work becomes available within a discipline/program, it shall be offered by the administrator responsible to

qualified part-time regular faculty in the discipline/program who want additional work. This only applies for access to work up to 100%.

- (b) The determination of whether a faculty member is qualified will be made by the relevant Search Committee at the time of initial hire or subsequent review. Part-time faculty who want to be considered qualified for work for which they have not previously been vetted, must apply to the appropriate Search Committee.
- (c) Notwithstanding this allocation of additional non-regular work to part-time regular faculty, the employer has the right to declare that a full-time or part-time position vacancy exists and to initiate the Search process.

## **ARTICLE 5 – TERMINATION OF CONTRACTS**

**5.01** The faculty member's contract may be terminated at any time by mutual consent of the faculty member and the Employer.

**5.02** If two months' notice of intended termination is given, then either full vacation or pro-rated vacation (dependent upon which is appropriate) will apply. Pro-rated vacation shall mean vacation pay calculated on the basis of the completed portion of the contract year of the faculty member, using ten months as a base. Otherwise the Employer is not obligated to pay more than Employment Standards of B.C. requirements for vacation pay.

**5.03** Non-regular type 1 instructor contracts may be rescinded at the Employer's discretion:

- (a) when minimum class size is not reached, or
- (b) to provide a regular faculty member with a full load or a non-regular type 2 faculty member with their original load as per their appointment letter.

Such action would not be subject to the grievance procedure.

**5.04** Non-regular type 2 faculty members may only be terminated during the appointment for one of the following:

- (a) for just and reasonable cause under Article 17.05;
- (b) for probationary termination under Article 4.08;
- (c) Non-regular type 2 faculty members may be terminated or reduced during or prior to their appointment in accordance with Article 8 on Lay-off and Recall of Non-regular Faculty.

**5.05** Non-regular type 1 faculty members appointments may be terminated during the appointment for one of the following:

- (a) for just and reasonable cause under Article 17.05;
- (b) for probationary termination under Article 4.08;
- (c) when contracts are rescinded under Article 5.03.

**5.06** If a section offered by contract to any non-regular type 1 instructor is cancelled, the Employer will pay a cancellation fee of \$500 as well as the hourly rate specified per class contact hours that may have occurred. In the event the contract offered does not equate to a standard three (3) credit course, the maximum \$500 cancellation fee will be pro-rated according to the following formula:

$$\frac{\$ \text{ value of contract issued}}{\$ \text{ value of 3 credit course}} \quad \times \quad \$500 \text{ maximum cancellation fee}$$

**ARTICLE 6 – TECHNOLOGICAL CHANGE**

**6.01 DEFINITION**

For the purpose of this Agreement, the term technological change shall mean change introduced by the Employer in modes of learning, in modes of delivery of learning, or in modes of delivery of related services where such change affects the security of employment of faculty members or significantly affects the terms and conditions of employment of faculty members or alters significantly the basis upon which this Agreement was negotiated.

**6.02 NOTICE**

When the Employer intends to introduce technological change or is considering the introduction of technological change:

- (a) the Employer agrees to notify the Union as far as possible in advance of its intention and to update the information provided as new developments arise and modifications are made;
- (b) the foregoing notwithstanding, the Employer shall provide the Union with at least four (4) months' notice that a technological change is intended, with a detailed description of the change it intends to carry out and with a disclosure of all foreseeable effects and repercussions on faculty members.

**6.03 DATA TO BE PROVIDED**

The notice mentioned in Article 6.02 shall be given in writing and shall contain pertinent data, including:

- (a) the nature of the change;

- (b) the date on which the Employer proposes to effect the changes;
- (c) the approximate number, type, and location of the faculty members likely to be affected by the change;
- (d) the effects the change may be expected to have on the faculty members working conditions, terms of employment, and security of employment;
- (e) all other pertinent data relating to the anticipated effects on faculty members.

**6.04 NOTICE TO EMPLOYEES AFFECTED**

The notice mentioned in Article 6.02 and the information specified in Article 6.03 shall also be given to the faculty members who will be affected by the technological change.

**6.05 CONSULTATION**

Where the Employer has notified the Union of its intention to introduce a technological change, the parties shall meet within fifteen (15) days of the notice and shall endeavour to reach agreement on solutions to the problems, if any, arising from the intended technological change and on measures to be taken by the Employer to protect the faculty members from any adverse effects.

**6.06 RESULTING AGREEMENTS**

Agreements reached between the parties under Article 6.05 shall be concluded in writing and such agreement shall have the same effect as the provisions of the existing Collective Agreement.

**6.07 GRIEVANCES PERTAINING TO TECHNOLOGICAL CHANGE**

Grievances over the application, operation, or alleged violation of Article 6 shall commence at the level of the University President (see Article 17.02(g)).

**6.08 EFFECT OF DISPUTE RESOLUTION ON INTRODUCTION OF TECHNOLOGICAL CHANGE**

Technological change shall not be introduced by the Employer until the matter, including any question as to whether or not the change in dispute is in fact technological change, has been resolved by agreement under Article 6.06 or arbitration. Notwithstanding the foregoing, the Employer may introduce the technological change nine (9) months after the notice in Article 6.02 was given.

**6.09 REDUCTION IN NUMBER OF REGULAR FACULTY MEMBERS AS A RESULT OF TECHNOLOGICAL CHANGE**

In the event of a reduction in the number of regular faculty members as a consequence of technological change, such reduction shall be governed by the procedures for lay-off and recall set out in Article 7.

**ARTICLE 7 – LAYOFF AND RECALL – REGULAR FACULTY**

**7.01** The Employer may lay off a regular faculty member due to technological change; shortage of operating funds; elimination or reduction of programs or courses or services; decline in enrolment; external decision or recommendation; or changing demand for Employer services. The procedure below in Articles 7.02 - 7.10 shall apply. In this article, faculty member means regular faculty member.

- 7.02**
- (a) Where it needs to be determined which specific faculty member from within a discipline/program would be laid off, the decision shall be made on the basis of least total FTE service as defined in Article 1.05(i).
  - (b)
    - (i) Where a faculty member in a discipline/program has been identified under Article 7.02(a) and the remaining faculty members in the discipline/program do not have the necessary qualifications, experience and abilities to instruct the remaining courses or perform the remaining services in the discipline/program, the provisions of 7.02(a) shall not apply to the faculty member identified;
    - (ii) In the event Article 7.02(b)(i) applies, the determination of the faculty member to be laid off in the discipline/program shall recommence with the faculty member with the next to least total FTE service, as defined in Article 1.05(i). This process will continue in reverse order of FTE service (least to most) in the discipline/program until a faculty member's position has been identified;
    - (iii) In the event a faculty member receives a layoff notice in a discipline/program that he/she was transferred to by the Employer from the discipline/program for which he/she was first hired, he/she may displace, if his/her FTE service as a regular faculty member as defined in Article 1.05(i) is greater, the faculty member with the least FTE service as a regular faculty member in the discipline/program for which he/she was first hired. This displacement is subject to the faculty member who is displacing another faculty member having the necessary qualifications, experience and abilities to perform the duties of the position.
  - (c) Any dispute as to the relevant discipline/program would be resolved at the Labour Management Committee.

- (d) Should any question be raised by a faculty member or the Union as to whether a faculty member does have or does not have the necessary qualifications, experience and abilities to instruct the remaining courses or perform the remaining services in the discipline/program, the question shall be referred in writing within five (5) days to the Labour Management Relations Committee composed of an equal number of representatives of the Employer and the Union.

Should the Labour Management Relations Committee not resolve the question within fourteen (14) days, the Employer shall decide and the decision shall be subject to the grievance/arbitration procedures set out in Article 17.02 and 17.03. A grievance filed pursuant to this clause may be filed at Step 3 of the grievance procedure.

**7.03** The affected faculty member will first meet with the appropriate Vice-President or designate to explore alternate job possibilities.

**7.04** The administrator, after consultation with the affected faculty member and receipt of the relevant discipline/program advice, would determine if the affected faculty member, on the basis of his/her qualifications, experience and abilities could be re-assigned as in 7.05. The administrator's decision in this regard is subject to the procedure specified in 7.02(d).

**7.05** For the purpose of Article 7.04 above, a regular position would be deemed to be available for reassignment if there was:

- (a) a posted vacancy for a regular position; or
- (b) sufficient ongoing non-regular work to provide regular status at 50% or greater.

## **7.06 PROBATION**

A faculty member having been re-assigned under Article 7.04 will be subject to a probationary period of up to one (1) year from the date of re-assignment. In the event the faculty member proves not to be satisfactory as per 4.08 during or at the end of the probationary period and is so advised by the Employer, the faculty member will be laid off and receive severance pay in accordance with Article 7.07. It is agreed that notice under Article 7.09 will not be served if a faculty member is laid off under Article 7.06.

- 7.07**
- (a) If the affected faculty member is unable to be re-assigned to one of the positions outlined in Article 7.05, he/she will be laid off, and he/she will receive one month's severance pay for every full year of FTE service to a maximum of ten (10) months' severance pay.
  - (b) A regular faculty member recalled under Article 7.08 shall repay any severance pay received at the rate of one month of severance pay (at the rate paid) for each year of full-time employment at the University subsequent to the date of re-call. Such repayment shall occur at the end of each year of service.
  - (c) In the event a regular faculty member is recalled and again laid off and has repaid to the Employer severance pay pursuant to Article 7.07(b) during the period

following his/her recall, the number of months of severance pay for the second lay-off shall be calculated as follows:

$$y = s - (x - r)$$

where y = number of months of severance pay due after the second lay-off.

x = number of months of severance pay paid upon the initial lay-off.

r = number of months of severance pay repaid to the Employer.

s = number of months of severance pay due under Article 7.07(a) if all FTE service were counted (maximum is 10 months).

- (d) A faculty member who has been paid his/her full severance entitlement and been recalled shall have the FTE service for any future severance start from the date of recall. If repayment occurred under 7.07(b), the FTE service for severance pay will be re-instated in an amount proportionate to the number of months repaid.

#### 7.08

- (a) If there is a vacancy for a regular faculty member's position in a specific discipline/program, the Employer shall offer re-appointment to those faculty members who have been laid off under Article 7 within the past two years and who have the necessary qualifications, experience and abilities for the position. Judgment of qualifications, experience and abilities shall be made by the appropriate Search Committee as per Article 4.02. Such offers of re-appointment shall be made in the reverse order of lay-off among the faculty members qualified for the position.
- (b) To remain eligible for re-appointment under this clause, the laid off faculty member must keep the Human Resource Services Department informed of his/her mailing address and telephone number, promptly report any changes, and accept or reject notice of re-appointment from the Employer within fifteen (15) days of receipt of such notice. In the event the faculty member rejects the offer of re-appointment he/she shall lose all rights to re-appointment under Article 7.08.
- (c) Faculty members on lay-off status under Article 7 shall not be entitled to health and welfare benefits and vacation pay.

#### 7.09

A faculty member will be notified in writing stating the reason(s) for the lay-off. The Union will also receive a copy of such notice. The faculty member will be notified five (5) months in advance of any pending lay-off under this Article.

#### 7.10

- (a) The Employer shall engage in discussion and consultation with the Union on the lay-offs;
- (b) The Employer shall give the Union an opportunity to present written submissions on the lay-offs;

- (c) The parties agree that the consultation that takes place under Article 7.10(a) & (b) shall be on a without prejudice basis.

A faculty member laid off under Article 7 shall have his/her personnel file state that the faculty member was laid off and not dismissed for just and reasonable cause.

## **7.11 PARTIAL LAYOFF**

- (a) Regular faculty members who have their workload reduced for the reasons outlined in Article 7.01 will receive right of first refusal for unassigned non-regular work which they qualify for until their original regular workload is attained.
- (b) Regular faculty members whose workloads fall below 50% or for whom there is no other unassigned non-regular work for which they are qualified, may either:
  - (i) accept the available workload and continue on regular status with pro-rated benefits and with right of first refusal for unassigned non-regular work they qualify for until their original workload is attained, or
  - (ii) choose to be laid off under Article 7.07.

## **7.12 TARGETED LABOUR ADJUSTMENT**

- (a) Employer Commitments

It is agreed that the institution will make every reasonable attempt to minimize the impact of funding shortfalls and reductions on the work force.

It is incumbent upon the Employer to communicate effectively with its employees and the Union as soon as the impact of any funding reduction or shortfall or profile change has been assessed.

The canvassing of options and/or labour adjustment strategies under this Article 7.12 shall occur following the issuance of layoff notice under Article 7.09.

If a work force reduction is necessary, the Joint Labour Management Committee will canvas employees in a targeted area or other areas over a fourteen (14) day period, or such longer time as the Joint Labour Management Committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs. The Joint Labour Management Committee may agree to extend the period of a canvas.

The Union shall be provided with a copy of each final plan for employee labour adjustment.

(b) Menu of Labour Adjustment Strategies

Where a work force reduction is necessary, the labour adjustment strategies outlined below will be considered, as applicable.

(c) Labour Adjustment Strategies: Workplace Organization

Subject to operational considerations, excluding the availability of funding, the following menu of work place organization labour adjustment strategies will be offered by the Employer to minimize layoffs and at the appropriate time in the employee reduction process:

- (i) Job sharing.
- (ii) Reduced hours of work through partial leaves.
- (iii) Transfers to other areas within the bargaining unit subject to available work and to meeting qualifications, with minimal training required where such training can be scheduled with the employee's professional development and other non-instructional time.
- (iv) Unpaid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- (v) Workload averaging that does not incur a net increase in compensation cost.
- (vi) Combined pension earnings and reduced workload to equal 100% of regular salary subject to compliance with the regulations of the College Pension Plan.
- (vii) Agreed secondment.
- (viii) Trial retirement.
- (ix) Combinations and variations of the above or other workplace organization alternatives.

(d) Labour Adjustment Strategies: Employee Transition

Subject to operational considerations, including the availability of funding, the following menu of employee transition labour adjustment strategies will be offered by the Employer to minimize layoffs and at the appropriate time in the employee reduction process:

- (i) Paid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- (ii) Severance with up to twelve (12) months' severance payment for an employee other than the employee(s) identified for layoff. Such

severance shall be calculated by applying the collective agreement severance provisions to the employee who is being offered severance. If the employee elects to take severance pay under this article, he or she thereby waives all other rights, claims, or entitlements, and severs his or her relationship with the Employer.

- (iii) Workload averaging that does incur a net increase in compensation.
- (iv) Purchasing past pensionable service. If permissible the Employer will match a minimum of three years' contributions to the College Pension Plan where an employee opts for early retirement.
- (v) Early retirement incentives pursuant to the collective agreement.
- (vi) Retraining.
- (vii) Continuation of health and welfare benefits.
- (viii) Combinations and variations of the above or other employee transition alternatives.

(e) Layoffs May Occur

Once strategies other than layoff have been explored, the Employer may proceed, if need be, to layoffs. For those affected by layoff, the system-wide Electronic Registry of Laid Off Employees will be available.

(f) No Stacking of Entitlements

While various options may be considered and offered, there will be no stacking of entitlements.

**ARTICLE 8 – LAYOFF AND RECALL OF NON-REGULAR TYPE 2 FACULTY MEMBERS**

**8.01** The Employer may lay off (this includes partial reduction of a load) a non-regular faculty member due to technological change; shortage of operating funds; elimination or reduction of programs or courses or services; decline in enrolment; external decision or recommendation; or changing demand for Employer services. When lay-off of faculty members must occur, the procedure below shall apply.

**8.02 LAY-OFF SEQUENCE**

The sequence for lay-off in a discipline/program must be:

- a) Non-regular type 1 faculty members as per Article 5;

- b) Non-regular type 2 faculty members using the method outlined in this article below:
- c) Regular faculty members as per Article 7 and 22.05.

### **8.03 LAY-OFF PROCEDURES**

- a) Lay-off method for non-regular type 2 faculty members is by least total FTE service as defined in Article 1.05(i).
- b) If a non-regular type 2 faculty member has been identified for lay-off and remaining faculty in the program/discipline do not have the necessary qualifications, experience and abilities to instruct the remaining courses or to perform the remaining services in the discipline or program, or the remaining non-regular type 2 faculty are not on the qualified faculty list for the remaining courses as set out in 3(c), the determination of the non-regular type 2 faculty member to be laid off shall recommence with the non-regular type 2 faculty member with the next to least FTE service as per Article 1.05(i).
- c) All non-regular type 2 faculty will be sent a letter at the time of their appointment confirming their placement on the qualified faculty list and outlining the process to follow if they wish to be considered qualified for additional courses or areas. A copy will be placed on their Personnel file.
- d) A non-regular type 2 faculty member will be notified verbally, then in writing, as early as possible, stating the reason(s) for the lay-off and the effective date of the lay-off. The Union will also receive a copy of such written notice.

### **8.04 ALTERNATE WORK**

In the event work is not available in the discipline/program, the affected non-regular type 2 faculty member shall meet with the appropriate Vice President or delegate to identify unassigned work for which the affected faculty member has been placed on the qualified faculty list in other disciplines/programs, or non-teaching work for which the faculty member has the necessary qualifications, experience and abilities.

### **8.05 RECALL PROCEDURES**

- a) If work is available in a discipline/program, the recall shall be within the term of the affected appointment and the sequence for recall shall be:
  - (i) Non-regular type 2 faculty members laid off from that discipline/program who are on the qualified faculty list for the work available according to reverse order of lay-off;
  - (ii) Non-regular type 2 faculty members laid off from another discipline/program who are on the qualified faculty list for the work available according to reverse order of lay-off;

- (iii) Non-regular type 2 faculty members laid off from any discipline/program who have the necessary qualifications, experience and abilities according to reverse order of lay-off.
- b) Notwithstanding Article 4.04(d), non-regular type 2 faculty members on lay-off shall, within the term of their original appointment, be entitled to compile a workload equal to that of their original appointment, prior to issuing work to non-regular type 1 faculty members within their original discipline or program area.
- c) To remain eligible for recall under this clause, the laid-off faculty member must keep the Human Resource Services Department informed of his or her telephone number, and promptly report any changes.
- d) The faculty member will accept or reject notice of recall from the employer within 5 calendar days of receipt of such notice. In the event the faculty member rejects the offer of recall, or fails to respond to the time-limit above, the employer will offer that work to the next qualified person in reverse order of lay-off.
- e) Salaries and other entitlements are to be readjusted when the laid-off faculty member is recalled for work which meets the criteria for non-regular type 2 status under Article 1.05(d).

#### **8.06 CANCELLATION FEES**

- a) Cancellation fees shall be paid at the rate of \$500 for each 1/8 reduction of a full workload to a maximum of \$4,000. If a non-regular type 2 faculty member is reassigned and that reassignment does not result in a loss of income, no cancellation fee will be paid.
- b) When workload is partially reduced and cancellation fees are paid, a non-regular type 2 faculty member still retains non-regular type 2 status along with pro-rated entitlements provided the criteria in Article 1.05(d) are met. When the faculty member does not meet those criteria, the faculty member reverts to contract status.

#### **8.07 TIEBREAKER FOR LAY-OFF AND RECALL**

In the event of a tie in FTE service, and where both faculty members have the necessary qualifications, experience, and abilities, the decision shall be made by lottery.

#### **8.08 DISPUTE MECHANISM**

Should any question be raised by the affected non-regular type 2 faculty member or the Union regarding whether a faculty member has or does not have the necessary qualifications, experience or abilities to instruct remaining courses or to perform remaining services in the discipline/program, scheduling, or any other matter related to this article, the question shall be referred in writing to the Labour Management Relations Committee within five (5) days.

Should the Labour Management Relations Committee not resolve the question within fourteen (14) days, the Employer shall decide and the decision shall be subject to the grievance/arbitration procedures set out in Article 17.02 and 17.03. A grievance filed pursuant to this clause may be filed at Step 3 of the grievance procedure.

In this mode faculty members work directly and continuously, as instructor or facilitator, with groups of students (e.g., seminar, lecture, tutorial, team teaching and co-operative learning).

In this mode the primary focus of faculty work beyond the contact hours is on course, class and assignment preparation, marking and other assessment of student work, and scheduled office hours.

20   Reality Learning Environment

In this mode faculty members work directly with students in an actual work setting to facilitate application of classroom-related and lab-related instruction leading towards development of problem-solving skills in a real life context. In this mode the primary focus of faculty work beyond the contact hours is on preparation for the simulated learning environment, and liaison with other instructors and/or staff.

24 Individual Learning Environments

In this mode faculty members plan and monitor each student's program within the class, teach mainly on an individual basis, and provide guidance and program adjustments as necessary. Learning is individually-paced.

32 Practicum Supervision/Field Experience

In this mode, faculty members are involved with the student and workplace supervisor in on-the-job training. The primary role of the instructor is to communicate with the student and the supervisor regarding the standard of performance for work competency and to assist in assessment.

In this mode the primary focus of faculty beyond the contact hours is on planning and implementation, external liaison and student assessment.

h) Terms of Reference of the Investigator

- i) The mandate of the investigator will be to ascertain facts.

- ii) The report of the investigator will be given, in confidence, to the Union and the Employer. It is the responsibility of the Employer to forward a copy of the report to the complainant and the respondent. The Employer will state, in a covering letter, that the report is confidential.
- iii) The report should refer to individuals involved by code only. However, a reference key will be provided to the Employer and the Union for internal use. This practice should be repeated at any subsequent arbitral proceeding.
- iv) The report will not be introduced as evidence or have standing in any arbitration, or other legal procedure. This does not preclude the parties from reaching an Agreed Statement of Fact based upon facts in the report in preparation for an arbitral proceeding.
- v) **Reliance on Report of Third Party Investigator**  
  
Despite 23.03(h)(iv), the Employer is entitled to rely on the fact of mediation or the report of a third party investigator as evidence that may mitigate liability in a proceeding that follows receipt of the third party investigator's report.  
  
The Employer is entitled to rely on the investigator's report as evidence that it acted in good faith in any disciplinary action that it undertook following receipt of the third party investigator's report where the issue of good faith is raised by a grievor or the Union.
- vi) The investigator will not be compellable as a witness in any arbitration or other legal procedure which may result from the investigation.
- vii) The investigator will conclude her/his work within ten (10) working days of appointment and will render a report within a further five (5) working days. These timelines may be extended if deemed appropriate by the parties. If requested by the investigator, the Employer will provide meeting space and contact information about persons to be interviewed.
- viii) The investigator may, as part of her/his report, make recommendations for resolution of the complaint.
- ix) The investigator's report will not be placed on an employee's file.

#### **23.04 FINDINGS**

- a) The Employer will make a written determination based upon the facts and recommendation, if any, within ten (10) working days of the receipt of the investigator's report. If necessary, this timeline may be extended by mutual agreement between the parties.
- b) The determination will:

- i) state the action(s), if any, to be taken or required by the Employer; and
- ii) include, where appropriate, a statement of exoneration.

### **23.05 RIGHTS OF THE PARTIES**

Should a complainant file a complaint under the provisions of the Human Rights Code, it is understood that the Human Rights Code complaint will be set aside until such time as the procedures under this Article have been completed.

Where an allegation includes both complaints under the Human Rights Code and a personal harassment complaint, the local parties may agree to have the investigator investigate all of the complaints, in order to relieve against expense and duality of process.

Nothing in this Article restricts:

- a) The Employer's right to take disciplinary action;
- b) The Union's right to grieve such disciplinary action or to grieve an alleged violation of this Article.

### **23.06 FALSE COMPLAINTS, BREACHES OF CONFIDENTIALITY AND RETALIATORY ACTION**

Frivolous, vexatious or malicious complaints of harassment or discrimination, breaches of the confidentiality provisions of this Article, or retaliation in respect of a complaint, may result in discipline.

Should retaliation be alleged following the filing of a complaint, the investigator may deal with that allegation and make a finding.

### **23.07 ADMINISTRATION**

The parties will meet as necessary to facilitate the administration and other aspects of the application of this Article including issues arising under 23.08 below.

### **23.08 RELATION TO OTHER AGREEMENTS**

Where a complaint under Article 23 involves individuals who are covered by another collective agreement, the parties will meet to clarify and agree upon a procedure.

**LETTER OF UNDERSTANDING # 1  
EMPLOYMENT EQUITY**

The parties agree that a joint committee will continue to work to review possible employment equity initiatives and to make recommendations relative to such initiatives.

Employment equity initiatives will target the four designated groups defined by the Employment Equity Act (Canada): women, aboriginal peoples, persons with disabilities, and persons, who because of their colour or race, are a visible minority in Canada.

Where such recommendations have an impact on the terms of this Agreement, Article 17.07 will apply.

**LETTER OF UNDERSTANDING # 2  
FACULTY MEMBERS PERFORMANCE REVIEW**

Probationary faculty members will be required to demonstrate their ability to meet the Employer's performance criteria. It is expected that most post-probationary faculty members will meet the Employer's performance criteria and engage in professional development as a matter of course. For these faculty members, the review process should be designed to facilitate their further development as competent, conscientious professionals.

Objectives of faculty members' performance review system:

1. To ensure a quality learning experience is provided to students.
2. To maintain competent and conscientious faculty members.
3. To encourage faculty members to continually develop their acumen and skills, and where appropriate, to identify and address areas requiring improvement.
4. To determine whether probationary faculty members are meeting established performance criteria and whether post-probationary faculty are continuing to meet established performance criteria.

Principles, Guidelines and Proposals

1. All performance review processes must be fair and objective.
2. All performance criteria must be stated explicitly and applied consistently.
3. All conclusions in review reports must be clearly stated in writing and objectively supported.

4. The review system for probationary faculty members is primarily summative. The purpose of summative review is to determine a faculty member's competence and suitability to continue employment.
5. The review system for post-probationary faculty members is primarily formative. The purpose of formative review is to encourage ongoing professional growth in pursuit of excellence. Periodically a written appraisal report will be prepared and placed in the personnel file.
6. Identified areas for improvement may require remedial support which may include professional development, educational leave and/or reference to the employee assistance program.
7. Serious performance problems, or recurring performance issues that are not resolved through the formative evaluation process may be addressed by the Employer as needed. Performance problems should be dealt with immediately as they are identified, and relevant documentation will be shared with the faculty member and will be kept in the faculty member's personnel file.
8. Professional development is an important component of faculty member's performance appraisal; therefore, written reports on professional development activities from faculty members will be appended to the self-evaluation component of the performance appraisal report.

#### Performance Review Committee

The Performance Review Committee will make recommendations to revise the existing performance review system in accordance with the above principles and objectives.

- A. Probationary Faculty members:
  1. The recommendations of this Committee regarding probationary faculty members' review will be implemented as soon as possible following approval by the Employer.
  2. Any further changes to the performance review system will be made in consultation with the Union in accordance with Article 19.01.

**LETTER OF UNDERSTANDING # 3  
WORKLOAD IN THE COLLABORATIVE NURSING PROGRAM**

The average teaching load for non-regular type 2 and regular instructors over an academic year will be 16 contact hours of instruction per week irrespective of the modes of instruction outlined in article 12.03, except for preceptorship/practicum supervision, where the contact hours will remain at 32 hours per week as per article 10.01.

The preceding point assumes the following criteria will be used.

**LETTER OF UNDERSTANDING # 4  
JOINT COMMITTEE ON CONTINUING EDUCATION**

The Parties agree to establish and continue a Joint Committee on Continuing Education. The Joint Committee will have six (6) members with equal representation from the Employer and the Union. Union members on the Committee will be appointed by the Union. The Committee will meet as required to consider issues surrounding new programs created in C.E. as well as the application of the collective agreement to existing programs.

The Joint Committee will determine the precise application of definitions in Letter of Understanding #5 to each Continuing Education program (as well as the date at which such application becomes effective). The Committee will consider program survival, marketability, student, community and University needs. Notwithstanding the definitions in Letter of Understanding #5, the Joint Committee will consider exceptions to inclusion that should be made on a case by case basis.

In the event the Parties cannot agree on the application of the definitions in Letter of Understanding #5, the issue will be referred to LMRC. If LMRC cannot agree, the issue will be referred to the grievance process in Article 17 and mediation/arbitration.

The Joint Committee will provide advice to the parties in the form of a joint report, for inclusion of language into the collective agreement as necessary upon the expiration of this Agreement.

**LETTER OF UNDERSTANDING # 5

The first report will be issued by April 30, 2002 for the 2001-2002 fiscal year. Where a dispute arises over whether work is properly outside the bargaining unit, the dispute will be referred first to the Joint Committee struck under Letter of Understanding #5 and then to the grievance process if unresolved.

- b) Notwithstanding 3(a), where work is offered in C.E. that duplicates, in whole or in part, work in a funded area of the University, such work will be subject to the full terms and conditions of the collective agreement including the provisions of Article 12 concerning workload.

**4) Eligibility for Benefits – Non-regular Continuing Education Faculty Type 2**

Non-regular C.E. faculty who qualify under section 2(b)(i) shall be eligible for all health and welfare benefits described in Article 15. Benefit premiums will be pro-rated so that the Employer’s portion of the premium equals the appointment percentage and the employee is deducted for the remaining portion.

**5) Rates of Pay**

- a) Regular C.E. faculty and Non-regular C.E. faculty Type 2, shall be paid according to the salary scale in Article 9.01, and placement on scale shall be in accordance with Article 9.02 of the Union agreement or the faculty member’s current rate of remuneration, whichever is greater.

When layoff of C.E. faculty must occur, the procedure below will apply.

**a) Layoff Sequence**

- i) The sequence for layoff in a program must be:
  - (1) Non-regular C.E. faculty Type I
  - (2) Non-regular C.E. faculty Type 2
  - (3) Regular C.E. faculty

**b) Layoff Procedures for Regular Faculty and Non-regular Type 2**

A C.E. faculty member will be notified verbally, then in writing, as early as possible, stating the reason(s) for the layoff and the effective date of the layoff. The Union will also receive a copy of such written notice.

**c) Alternate Work for Regular Faculty**

**e) Severance**

- i) Regular C.E. faculty who are laid off after March 31, 2001 shall be eligible for severance provisions in Article 7.07 of the Union agreement based on FTE service accumulated after September 1, 1999. Faculty who receive severance pay will lose their right of recall in (d) above.

**f) Cancellation Fees**

- i) When the appointment of a non-regular C.E. faculty member Type 2 is cancelled or reduced, a non-recoverable cancellation fee shall be paid according to the following formula:

- 7) Article 16 Professional Development of the Union agreement applies to regular C.E. faculty and non-regular C.E. faculty Type 2.

**LETTER OF UNDERSTANDING # 6  
INTERNATIONAL WORK**

No member of the bargaining unit shall be required or involuntarily scheduled to perform international work.

Where a faculty member is assigned to work internationally, the Union will be consulted in advance of the assignment. Any disputes will be referred to the Labour Management Committee.

Where a faculty member is scheduled to work internationally, the work will be considered part of their regular teaching load. No additional salary remuneration will be payable.

This applies to any work undertaken by faculty, from which the University will derive income and/or compensation.

This does not apply to faculty who arrange independently to work internationally as part of their Professional Development, Education Leave or as a secondment or exchange under Article 13.11.

**LETTER OF UNDERSTANDING # 7  
PARTIAL LAYOFF**

Faculty who are partially laid off will have the option to use severance to top up their salary, and to pay their health and welfare (i.e. medical, dental and extended health) and pension benefits for a maximum of 2 years from the date of partial layoff.

LMRC guidelines for the application of the above option are available on the Human Resource Services website.

The LMRC may address other issues pertaining to partial layoffs raised by either party.

**LETTER OF UNDERSTANDING # 8  
DIRECTORS OF RESEARCH INSTITUTES**

1. The Employer and the Union agree that the current Directors of Research Institutes are and shall continue to be members of the Union's bargaining unit, subject to the provisions of this Letter of Understanding.
2. Selections of directors of Research Institutes covered by this Letter of Understanding ("the Directors") shall be conducted in accordance with Article 4 of the collective agreement.
3. The Directors shall be granted release time from their faculty duties per Article 2.03 of the collective agreement, to perform the excluded functions associated with their Director positions.
4. The Directors shall be paid on the appropriate step of the excluded salary scale, proportional to the amount of their excluded time release.
5. The Directors shall remain members of the Union's bargaining unit until the release time assigned to perform the excluded duties of the Directors equals 100%. At that point, the parties agree that the Directors shall be excluded from the bargaining unit.
6. It is expected that the Directors, as members of the bargaining unit, will facilitate, oversee, coordinate, and, on occasion, supervise faculty members' scholarship and research projects within the Institute. The Directors will liaise with external bodies and consult with the Associate Vice President, Research and Scholarship, as needed.
7. The Employer will remit union dues for the Directors to the Union while they are in the bargaining unit.
8. This Letter of Understanding shall apply to any new Director of Research Institute positions created by the Employer, or to persons hired to replace the Directors.

**LETTER OF UNDERSTANDING # 9**  
**PARTIAL SICK LEAVE AND PARTIAL DISABILITY BENEFITS**

The Parties agree that it is in the interests of both the employee and the employer to enable an employee to remain at work when the employee is only partially disabled.

“Partially disabled” for the purpose of this Letter of understanding means that the employee is unable to do a portion of his/her normal workload where such portion is agreed by the employer to conform to the configuration of faculty workload in the employee’s instructional or non instructional areas and where the partial sick leave is in any event no greater than 80% of a full-time workload in that area. The application of this definition is subject to the employer’s legal duty of accommodation.

Determination of whether the employee is partially disabled as defined above shall be by the short-term disability benefits carrier.

An employee who is determined to be partially disabled will be entitled to sick leave under Article 15.06 on a pro-rated basis until the employee has satisfied the qualifying period for short-term disability benefits of the equivalent of thirty (30) complete calendar days. In any event, to qualify for short-term disability benefits the employee must complete the qualifying period within six (6) months of the date the employee commenced part-time sick leave.

Should the employee return to his/her full normal duties of his/her own occupation during this qualifying period for short-term disability benefits and then become disabled from the same or related disability within fourteen (14) consecutive calendar days after returning to full active employment, he/she will be considered to be within the same qualifying period.

The employee is required to meet all application, reporting, and other requirements provided for in this short-term and long-term disability benefits plan as applicable.

The carrier’s approval of a partial disability claim for sick leave continuation on a pro-rata basis does not in itself mean that the employee’s subsequent claims for short-term disability benefits will be automatically approved, nor does approval for short-term disability benefits mean that the employee’s subsequent claim for long-term disability benefits will be automatically approved.

Additional information on the processes and criteria for partial sick leave and partial disability benefits are set out in the document titled “Administration of Partial Sick Leave and Partial Disability Benefits”, which the Parties agree shall be part of the “Policies and Procedures” sections of the Disability Management Handbook for the disability benefits plan set out in Article 15.06.

**LETTER OF UNDERSTANDING #15**  
**WORKLOAD COMMITTEE**

The topic of workload and classes sizes has been debated for many years at Kwantlen by both parties. In the 2010/2012 negotiations the KFA proposed an increase in time release for faculty members to participate in certain new roles and committees related to Kwantlen's status as a special purpose teaching university. In the same negotiations the University proposed ways in which class sizes could change to increase the accessibility of students to a wider variety of classes and to allow for time release for certain purposes.

The parties recognize that Workload is a complex issue and therefore agree to establish a joint committee to determine options for workload and class size.

The committee of 6 members will have equal representation from the University and the KFA.

The committee will report the results and joint recommendations back to the parties prior to March 31, 2014 for discussion at the 2014 bargaining table.

**LETTER OF UNDERSTANDING #16****HEALTH AND SAFETY EDUCATION COMMITTEE**
